

ILIA RAEV

WAREHOUSE WORKER

PROFILE INFO

I am currently studying software engineering at SoftUni. I am 20 years old and reside in Plovdiv, Bulgaria. My strengths lie in Python, JavaScript, HTML, CSS, PostgreSQL and Django. My journey began when I was accepted into the Professional High School of Electrical Engineering and Electronics in Plovdiv, Bulgaria. Subsequently, I embarked on learning programming languages at SoftUni and undertaking various projects. Thanks to my experience working at Speedy, I have developed excellent teamwork skills. I have been practicing judo for four years, and it has helped me to persevere, work hard for what I want, and never give up.
