PROFILE

I am 21 years old and reside in Plovdiv, Bulgaria. My strengths lie in Python, Django, HTML, CSS, PostgreSQL, and JavaScript. I studied programming languages at SoftUni, and now I work on various projects using my skills. Thanks to my experience working at Speedy, I have developed excellent teamwork skills. I have been practicing judo for four years, and it has helped me to persevere, work hard for what I want, and never give up.
